

Flood-MAR Network Forum Event 2023

11.07.23 – 11.08.23

Flood-MAR in Action

Please join us on November 7-8, 2023 for the **fourth biennial Flood-MAR Public Forum Event** to reflect on five years of using floodwaters for managed aquifer recharge (Flood-MAR), share ideas and considerations to expand and improve Flood-MAR implementation statewide, and be better prepared for future wet years. This year's event will be in-person in Sacramento!

Registration and program information to come.
