

FLOOD MAR NETWORK WORKSHOP

2024 Recap and 2025 Visioning

Friday March 28, 2025, 10 AM - 12 PM

Zoom registration link: <https://csus.zoom.us/j/86167834861?from=addon>

This virtual workshop aims to reflect on the progress made in 2024, re-energize our collective efforts, and collaboratively shape priorities for 2025. Key objectives include:

- Showcase recent impactful work from Network Members
- Advance collaborative initiatives for Flood-MAR implementation in California
- Encourage active participation in the Network's activities
- Engage members in the planning of the 2025 Biannual Network Forum

WORKSHOP AGENDA

9:45 AM - 10:00 AM | Pre-Meeting Informal Gathering (Optional)

Join us early to connect with fellow participants, share about your work and interests, and engage with the Flood-MAR Network community.

10:00 AM | Welcome and Workshop Overview

Meagan Wylie - Sacramento State

- Introduce the workshop and its goals
- Expected outcomes and key take aways for participants

10:05 AM | Setting the Stage

Meagan Wylie - Sacramento State

- Recap of Network evolution and impact since 2018, including Network Purpose
- The trajectory of the Flood-MAR Network moving forward

10:15 AM | Recent Network Activities and Collaborations

Network Coordinating Team Members

- Lunch-MAR Speaker Series Recap
- **Interactive MIRO Board Activity:**
 - *What topics would you like to hear about during future Lunch-MARs?*
 - *Would you like to present your work at a future Lunch-MAR?*
- Action Team Updates:
 - a. Assessing Policy
 - b. Estimating Recharge
 - c. Incentives for Recharge
 - d. Instream Flows
 - e. Water Quality
 - f. Website: The Flood-MAR Hub www.floodmar.org Website
- **Interactive MIRO Board Activity:**

- Do you have a near-term priority action that is not represented by an action team? If so, what is it? Are you interested in being an anchor?
- What do you look for when visiting the Flood-MAR Hub? Is anything missing that you'd like to see added?

10:40 AM | Project and Research Highlights “Lightning Talks”

Various Presenters

- Flood-MAR Research and Data Development (R&DD) Plan Evaluation ([Marisa Perez-Reyes](#), Stantec)
- Dunnigan WD: CWC 1242.1 Flood Diversions ([Jordan Navarrot](#))
- Sacramento County: CWC 1242.1 Flood Diversions ([Austin Miller](#))
- DWR: FDRE Update ([Erica Haight](#), DWR)
- DWR: Watershed Studies ([Jim Wieking](#), DWR)
- CA Water Data Consortium: Groundwater Accounting Platform ([Presenter TBC](#))
